

Optional Independent Helsinki Extension*

If you would like to add Finland to your Scandinavian Splendor Tour, we offer a 3-night Baltic Sea Cruise & Helsinki independent extension. This extension includes the cruise from Stockholm to Helsinki using inside cabins with private facilities, two nights bed and breakfast in Helsinki, and a 48-hour Helsinki Card for transportation and museums. You must book the Helsinki Extension at the time you reserve your tour, so we may automatically change your return flight from Helsinki. Ask your travel agent about prices. Below is the itinerary for this extension:

Day 1 (Day 15 of your tour) - In the late afternoon, board the ferry and enjoy your overnight cruise including buffet dinner, musical entertainment, and buffet breakfast.

Day 2 - Dock at the Helsinki harbor around 9:30 a.m. and transfer to the hotel. Your Helsinki Card provides 48 hours of free public transportation, free admission to most museums, and discounts on sightseeing tours.

Day 3 - A full day to see the sights of Finland's capital.

Day 4 - Return flight to the USA.

Double Occupancy	\$540
Single Supplement	\$280

*Some people have requested this option to be available. If this is something you want to do, "Helsinki Extension" must be added to the Extension Request line on your application form. Contact us with questions.
